

Auditing HR Processes Training

Description

Introduction

Managers, superintendents, supervisors and officers in the functions of Human Resources. The program is also very useful for Internal Audit professionals who are about to start an audit exercise in the HR department in their organization.

Objectives

- Organize employee records and files cost- effectively.
- Identify areas of weaknesses in their organization's processes: recruitment and selection, employee records keeping, performance appraisal, and payroll.
- Create a plan of action to improve the HR processes in their organization.
- Relate the importance of an efficient employee record keeping process to their organizational financial well being.
- Develop a detailed and accuracy-focused approach to Human Resources.
