

ASQ Certified Manager of Quality - Organizational Excellence Refresher Training

# **Description**

#### Introduction

### Who should attend:

n.co.uk Individuals who desire to reinforce their skills, knowledge, and capacity to understand the Certified Manager of Quality/ Organizational Excellence Body of Knowledge in preparation for taking the ASQ Certified Manager of Quality/Organizational Excellence Examination.

### **Objectives**

- Review the Body of Knowledge in preparation for the ASQ Certified Manager of Quality/Organizational Excellence examination.
- Apply the components of the Body of Knowledge (BOK) to further focus their preparation efforts.
- Explain, through discussions, the main concepts in each of the BOK elements.
- Refine their thinking approach in preparation for the 'constructed response' section of the examination.
- Practice sample tests.
- This course is designed and developed by ASQ's Quality Management Division. The course is presented in a way that reinforces current knowledge, re-introduces applications that may not be used every day, explains the rationale for use,
- and highlights sample questions, both multiple choice and constructed response.

NOTE 1: This course has pre-course reading assignments along with a practice test. Evening homework is also assigned during the course.

NOTE 2: The Certified Manager of Quality/Organizational Excellence book (By R. Westcott) will be used as the main handbook for training and will be provided to participants on the first day.
