

Career Development and Succession Planning Training

Description

Introduction

Those involved in designing, setting up or controlling career development systems; also, line managers who are involved in, or accountable for, the career development of their staff.

Objectives

- Demonstrate understanding of the basics of career development and succession planning.
- Distinguish succession planning and management from replacement planning, talent management, and human capital management.
- Compare traditional and career-planning-oriented HR focus.
- Explain employee and employer career development roles.
- Examine innovative corporate career development initiatives.
- Close the developmental gap by operating and evaluating a succession planning and management program.
- Prepare individual development plans and manage career choices.
