Leadership, Influence and Trust Training

Description

Introduction

This course is suitable to those who are keen on developing and increasing their credibility and influence at work. This course offers compelling content for delegates to exhibit impactive leadership, be more productive, and to have dynamic lifestyle influence. An effective leader is someone who sets the right direction and influences people to follow in that direction. This is a course designed to promote effective leadership and influencing skills among management personnel.

This course identifies and presents what creates real leadership empowerment, and how to translate that into an effective and productive work force. In this course, delegates will study the best practices from industry leaders whose techniques have proven to work in the local and global markets.

This course will feature:

- How to be personally empowered
- The dynamics of interpersonal relationship skills
- How to develop a winning leadership mindset
- The vital strategy of handling change
- How to build positive trust into your Staff

objectives

By the end of this course, participants will be able to:

- Determine best practices of leaders through history and how to apply them today
- Determine your role as an effective leader in any organization
- Describe a change management model for management
- Describe how to build and rebuild trust in an organization
- Develop strategies for creating a positive work environment that fosters leadership
