

## Success under Pressure – Emotional Intelligence, Conflict Management and Negotiations Training

### Description

#### Introduction

This programme aims to equip you with tools to handle stress and pressure in the workplace. The programme will centre on motivating the individual to control and focus their emotions towards the most beneficial outcome. It also emphasizes the importance of negotiation as a type of conflict resolution. The use of teaching and learning techniques based on the latest educational psychology principles for adult learning ensures that each programme session will be challenging and highly effective. Join this programme and you will:

- Gain tools to communicate with others effectively
- Learn to recognize different behaviors and respond to them accordingly
- Learn win-win negotiations for everyday negotiation between leaders and staff, and inter-departmental situations

#### objectives

- Develop emotional intelligence in the workplace
- Understand and identify different behavioral styles to communicate with others
- Gain insights of individual strengths and areas for development
