

The Art of Leadership Training

Description

Introduction

The Art of Leadership will take you on a journey to discover your own strengths as a leader and demonstrate how you can build on those strengths to lead your own team to higher productivity. Some of the issues discussed in this programme include the best approaches past leaders have taken to drive their teams or organizations to great success and how they overcame difficult times. A study of “best practices” is used based on the latest techniques used in modern business to overcome the enormous pressures that exist in this trying economy. In this programme you will learn how to:

- Determine best practices of leaders through history and how to apply them today
- Explore your leadership capabilities and areas for personal development
- Build a culture of TRUST that encourages people to follow you
- Identify strategies for overcoming obstacles in the work environment that lead to higher performance

objectives

This programme is designed to promote effective leadership and influencing skills among management personnel. At the conclusion of this training session, you should be able to:

- Articulate an understanding of what leadership means for your business
- Determine your role as an effective leader in any organization
- Demonstrate the leadership core skills of Communication and Inspiration; Systems Thinking and Emotional Intelligence
- Use personal influence and develop political savvy to network and influence people effectively
- Describe a change management model for management and the process of planning, communicating and implementing change
- Develop a Personal and Professional Vision and Communicate it to all stakeholders
- Tap into and “inner power” to gain self confidence and strength
- Get the most productivity out of each constituent (worker or other)
