Workplace Innovation and Productivity Skills Training

Description

Introduction

This intensive professional excellence course will focus on the critical skills that will enable delegates to build productive relationships and successfully interact with others in the organisation. The strategies you will learn, aligned with your commitment to personal improvement, will enable you to become the rare high performer that organizations seek to employ, retain, and promote.

Aimed at the driven professional, this course builds an agenda to improve your personal productivity, enhance your professional reputation and enable you to apply innovative work practices. In this course, you will realise your strengths and fulfil your true managerial leadership potential.

This course will feature:

- Creating an agenda to take full responsibility for your life and your success
- Creating value to the organisation through increased personal productivity
- Managing conflict constructively and fostering a collaborative culture
- Building a personalised blueprint to enhance your professional reputation
- Being proactive to lead and initiative action

objectives
