

Certified Training and Development Professional Training

Description

Introduction

Training and development professionals involved in the process of training needs analysis, coordinating and organizing training programs, and evaluating the results of training.

Objectives

- identify the strategic significance of training through emphasis on aligning training with strategy, marketing training within the organization and partnering with managers and supervisors.
- List the strategic, tactical and administrative competencies of the training professional.
- Use appropriate methods to conduct a Training Needs Assessment (TNA).
- Examine ways to select internal trainers and Subject Matter Experts (SMEs) and to hire external consultants.
- Demonstrate the success of training at all evaluation levels – from reaction to Return On Investment (ROI).
