

Train the Trainer – From Design to Delivery Training

Description

Objectives

- Identify and develop skills required in successful trainers.
- List various adult learning principles and their implications on the delivery of training.
- Examine training methods and determine the most appropriate for their training workshops.
- Apply training models in the design and delivery of training programs.
- Write specific Instructional Learning Objectives (ILOs).
- Develop blueprints for training sessions.
- Plan and deliver a training session relevant to their areas of expertise.

Content

Characteristics of Successful Trainers

- What Makes a Good Trainer?
- Your Image
- Asking the Right Questions
- Building Rapport with Participants
- Your Listening Skills
