

## Leadership and Decision – Making in Crisis and Emergency Situations Training

### Description

#### Introduction

All leaders are sooner or later confronted with the need to lead and manage their team or organization during a crisis or emergency. The skills and competencies that are required to lead in these circumstances are much more demanding of the leader than normal everyday leadership.

Leaders have to make decisions quickly while accepting significant risk in order to achieve a favourable outcome for their organization, its members and clients, as well as the public it serves.

#### objectives

**By the end of this course, participants will be able to:**

- Improve the effectiveness of your reports, proposals, emails, letters and other communication
- Develop more efficient writing processes, improving project and time management
- Meet the needs of your readerships/audiences enabling them achieve their own objectives
- Develop your presentational skills and the techniques to enhance impact and effectiveness
- Deploy the right techniques, tools and skills for a wide variety of communications challenges
