

Leadership Best Practices Training

Description

Introduction

If you want to improve, enhance and empower your leadership skills, then this course is for you! This 10-day course series will aim to establish what some of the industry leaders do, to improve their organizations' position through effective leadership. This course will study the best practices from industry leaders whose techniques have proven to work in the local and global markets. Each module will include a way in which any potential leader in the market can apply the practices aimed at improving their own environment.

This course will feature:

- The practices and principles of dynamic leadership
- How to empower your employees
- Powerful interpersonal relationship skills
- Strategies for continuous improvement
- Practical, proactive steps for creating peak performance

Objectives

- Determine best practices of leaders through history and how to apply them today.
- Delegate and empower employees to maximize results and time management.
- Describe a change management model & the process of planning, communicating, & implementing change.
- Tap into and "inner power" to gain self-confidence and strength.
- Develop strategies for creating a positive work environment that fosters leadership.
