

Mastering Communication, Negotiation and Presentation Skills Training

Description

Introduction

Mastering the inter-related skills of communication, negotiation and presentation is the key to success both for individuals building their careers and for the organisations in which they work.

Drawing on classical learning, psycho-linguistic research and ideas associated with NLP and Emotional Intelligence, this highly interactive and hands-on programme helps participants explore and practise the principles and techniques they need to be effective communicators, negotiators and presenters. Most importantly, it focuses on helping them apply these skills in the workplace as part of a process of continuous learning.

objectives

- Communicate clearly and effectively both on a one-to-one basis and in group situations such as meetings
- Build rapport and interpersonal relationships and develop their influencing skills
